Health & Safety Information for Visitors and Customers:

Lafleche Environmental is committed to the health and safety of all workers, contractors, customers and the general public. As Lafleche Environmental visitors, we expect your full cooperation with the rules and regulations set out for our site.

Lafleche Environmental reserves the right to reject all or any part of a load that appears to be a hazard to the health and safety of workers, or that has the potential to cause damage to equipment, property or to the environment.

- **Observe posted speed limits:**
 - All service roads on site have a posted speed limit of **19km/hr.**
 - No passing moving vehicles.
 - Pay special attention to all road/warning signs.
- **ALL vehicles must stop at the scale** prior to entering and exiting the site, **this includes all small vehicles and vehicles that are not using the scale.**
- Non-essential vehicular and foot traffic is prohibited in all areas of the site. All vehicles must remain on the onsite service roads and shall not tour the site unattended.
- Smoking is strictly prohibited near fuel tanks, propane tanks in the Transfer Station, in any enclosed space and in Lafleche vehicles and equipment.
- No littering.
- Scavenging, salvaging and reclamation activities are strictly prohibited.
- Always look out for pedestrians.
- Ensure eye contact is maintained at all times with spotters and vehicle/equipment operators.
- Report all hazards to the area supervisor or scale house attendant.
- Vehicle and equipment lights shall be on at all times while on site as visibility can be reduced due to weather and dusty conditions.
- Horseplay, violence and harassment are strictly prohibited and will not be tolerated.
- Firearms, and/or weapons of any type are not allowed on the property.
- The use or distribution of intoxicating beverages or any other restricted substance on the site is strictly prohibited.
- Photography is prohibited unless there is written permission from a Company official.
- Report all spills.
- Report all injuries, no matter how minor.
- Seat belts are required onsite.
- No one under the age of sixteen (16) is allowed outside of a vehicle, anywhere on site. All passengers must remain inside the vehicle. No pets.
- Any person working at heights greater than ten feet (10') or where there is a risk of falling greater than ten feet (10') must wear the appropriate fall protection/fall restraint equipment. The employer is responsible to providing the fall protection equipment and training.
- Personal protective equipment requirements (Lafleche carries a limited supply of PPE for visitors, all PPE are the property of Lafleche and must be returned prior to leaving the site):

Mandatory in Transfer Station:

- **Safety Vest or Equivalent Reflective Clothing**
- **Steel-Toed Footwear**
- **Hard Hat**
- **Safety Glasses**

Recommended: Gloves, Hearing Protection

Revised: July 2014
